I. ECONOMIC POLICY

Further to its conclusions of October 2010, the European Council will:

- decide on the outline of a permanent crisis mechanism to be established by Member States to safeguard the financial stability of the euro area as a whole and on a limited treaty amendment required to create such a mechanism;
- take stock of progress in the Council on the Commission's legislative proposals, including as regards how the impact of pension reform is accounted for in the implementation of the Stability and Growth Pact.

It will also hold a discussion on how spending at the European level can appropriately reflect the consolidation efforts made by Member States, whilst respecting the role of the different institutions and the need to meet Europe's objectives.

II. EXTERNAL RELATIONS

The European Council will be informed of ongoing work on the evaluation of the European Union's relations with its strategic partners, further to its conclusions of September 2010.
